

Press Release

To whom it may concern,

The Coweta Police Department will be hosting National Night Out 2018 on Aug 7th, 2018 from 6PM to 8PM located at Roland Park (E 141st St S and S 283rd E Ave in the Country Village Addition).

This is the first year for the Coweta Police Department to host this event, but members of the department are looking forward to meeting and speaking with our community. National Night Out gives the citizens of Coweta and the Coweta Police Officers a chance to talk about issues facing the community. Officers will be on hand to talk with citizens about child safety, home security, neighborhood awareness, and other community issues that might be of concern to citizens.

Members of the Coweta Fire Department and Wagoner County Emergency Management will also be on hand to discuss proper home safety, including fire safety plans, fire safety prevention, and what to do in case of an emergency. The Coweta Fire Department will be demonstrating the newest additions to the fire department, their Coweta Fire Search and Rescue Dogs, weather permitting.

Coweta Joyful jumps will provide a bounce house and games for children, and the Coweta Police Department will be cooking and serving hotdogs, while supplies last.

Please plan to join the Coweta Police Department for National Night Out 2018.

Thank you,

Cpl. B. Pickett # 605
